FORT YORK FOUNDATION

The Fort York Foundation is helping to strengthen Fort York National Historic Site. The Fort York Visitor Centre, improved exhibits, and an expanded, revitalized Garrison Common are key priorities that require the support of individuals, foundations and corporations to achieve. The Foundation has recently established an Acquisitions Fund to support and build on the historic collections reflecting more than 200 years of history at Fort York, the place where urban Toronto was established in 1793. For more information on how you can help, see www.fortyorkfoundation.ca.
